Hello Neil and Noel,

Neil, as we discussed on the phone this afternoon, please submit a plan and drawing to Melody Eldridge (cc'd here) for the new proposed system for capturing run-on at Lots 9 and 10. Melody will need to review and approve of the plan. Please keep in touch with this email group about the status of the installation, so that we can schedule a site visit once it is complete.

Thanks so much,

Jessie Henderson-McBean
