RE: Lot 9 Highlands Estates Project, San Mateo, CA

On September 23, 2020 BKF surveyed the height of the ridge line for the building of the above referenced Lot 9. Our measurements indicate a height of 517.81'. The architectural designed elevation per the approved plan set has a Ridge Height of 518.00'.

This survey was performed by me or under my direction in conformance with the requirements of the Professional Land Surveyor's Act.

Please contact me with any questions.

Sincerely,

David Jungmann, PLS
Project Manager
