Camille, these documents you've emailed are not the MMRP matrix docs that I requested. I've attached an MMRP matrix doc from June 2021 as an example. It is the only one for all of 2021 on the project record website as far as I can tell. Will it be possible to provide the MMRP matrix docs for 2021, and ongoingly?

Dave

Hi Dave,

Here are the documents requested. I'll be sending over several emails. They will also be posted on the website.

Thanks

Dear Staff,

Can you please provide the County's Mitigation Monitoring and Reporting Program (MMRP) monthly matrix docs for each month in 2021 (minus June which is already in the record)? Please provide these asap and in an accessible format per my 10/28 email. (fyi there are docs called "matrix" in the record but they do not appear to address the mitigations for those months).

Very truly yours,
Dave
