My wife and I are homeowners and have lived in El Granada since 2016. I am writing in regards to the home at 600 El Granada Blvd, El Granada (agenda item #2). What a beautiful addition to the neighborhood. The design of that home is spot on to the landscape of El Granada Blvd. One of the things I love about that street is how each property brings a unique style that compliments the eclectic but appropriate taste of one another.

It seems to me that El Granada Blvd has gained another amazing and talented neighbor that went out of their way to maintain the character of the neighborhood.

Any minor modifications that went into the design of that home were thoughtfully done and should be considered improvements and nothing else.

Thank you for your time and consideration.
